Wayne County v Wayne County Retirement Commission

Docket No. 260121

LC No. 04-431663-AW

Kirsten Frank Kelly
Presiding Judge

Kurtis T. Wilder

Christopher M. Murray
Judges

The Court orders that the motion for immediate consideration is GRANTED.

The delayed application for leave to appeal is DENIED AS MOOT, due to the fact that the trial court entered a final order in this case and therefore, there is no longer an action pending below in which the AFSCME appellants can intervene. However, pursuant MCR 7.212(H), the AFSCME appellants can file a motion for leave to file amicus curiae briefs in Docket Nos. 259839 and 259883 should appellants desire to participate and address the merits of the trial court's final orders in those appeals.
